Personalised Pampering for your Hair

Do you ever feel your hair is a little dull and listless – even though you are following your home haircare routine?

Well sometimes your hair needs a little boost to give it **extra strength, shine and condition!** That's when you need an **intense in-salon treatment.**

Or maybe you just feel like indulging yourself with a little **extra pampering.**

Your stylist can advise which intense treatment is **just right for you** and your treatment can be taken in conjunction with any hair styling appointment.

REDKEN

5TH AVENUE NYC

REDKEN Chemistry is a comprehensive system of products that help stylists create **customised services** to **treat** and **transform** client's hair on an individual basis.

The REDKEN Chemistry range consists of:

- **Extreme** – total protein to give **strength, reduce breakage** and **aid repair**
- **Smoothdown** – to give your hair **control in humidity** and **aid protection from heat**
- **Colour Extend** – neutralises free radicals and **reduces colour fade**
- **All Soft** – adds **moisture, shine and manageability**
- **Time Reset** – to help **reverse** years of **damage** and **combat signs of ageing hair**
- **Thermal Resist Inner Hair Repair** – instantly **detangles, repairs** and **conditions heat-damaged hair**

REDKEN Chemistry in-salon products give hair **6 times more protection** than REDKEN homecare treatments.

All REDKEN intense treatments include a **relaxing scalp massage**.

Ask your stylist which treatment is just right for you. Costs range from £10 – £15 and treatments take approximately 15 minutes.

The **PUREOLOGY** range of hair care products is **gentle** and its exclusive **anti-fade complex** is especially formulated for **coloured** and **fragile hair**. The **PUREOLOGY** range **contains no sulphates**; it's completely organic, vegan and contains botanical oils.

The Pureology range of intense treatments includes:

- **Essential Repair** – express treatment for processed, fragile and coloured hair, **adds strength, restores manageability** and **seals split ends**
- **Hydrate** – an **indulgent treatment** which **moisturises** dehydrated hair, adding **shine** for **soft, lustrous hair**
- **Super Smooth** – a treatment for unmanageable hair **containing natural oils** to give **condition and intense shine** for a controlled and super smooth look

Ask your stylist which treatment is just right for you. Costs range from £10 - £15 and treatments take approximately 15 minutes.
